You're having a laugh?

Fighting The Good Fight (Observations of a Christian bloke and his long-suffering Angel). By Joel Webster

Always respectful, always humorous. In diary form, written from 39 years of observing all the wonderful things that Christians get up to - Prayer Groups, Worship Groups, House Groups, PCC, Sunday Worship, Opening a Christian Café, etc. This is for anyone who loves God, loves the Christian life, and wants a laugh!

See if you recognise anyone you know!
