

'Lifeline Harrogate', a registered charity, was set up in 2012. Lifeline houses people who otherwise would be homeless. We work in partnership with other homeless agencies in the town including Harrogate Homeless Project, Harrogate Borough Council, Probation, Shelter and Horizon Life Training. We have a vacancy for a Housing and Support Officer to work with some of our residents. This is a part-time post, 15 hours a week which has the possibility of more hours as we expand our operations. The housing element of the work covers many landlord type duties and the support element involves working with the resident through an agreed support plan.

Full details available at [www.lifelineharrogate.co.uk](http://www.lifelineharrogate.co.uk) or contact us at [admin@lifelineharrogate.co.uk](mailto:admin@lifelineharrogate.co.uk). Closing date is Tuesday 7th November.
