

We currently have a Ukrainian family living with us in Ripon. They are a mum and 13 old son who have been living with us since December 2022 under the Homes for Ukraine scheme. We have extended our offer to them to a year and now are helping them make their next steps. She would like to go to another host and to stay in Ripon where she and her son feel settled and he is doing well at school. NYC's HFU have told me they don't have any other potential hosts in Ripon with 2 bedrooms and advised her to post on Facebook which we have also done. I was wondering if you know of any hosts through Holy Trinity Church who might consider offering them a home for 6 months or so? I am worried about her being given emergency accommodation anywhere in the county so investigating all possibilities in Ripon. Any advice or thoughts would be much appreciated. We are hoping to help them settle in a new home by the beginning of December. Due to the son's age they would need a bedroom each. Thank you for your help.
