Dear Friends at Holy Trinity Church, Ripon

Please extend my grateful thanks to everyone who contributes through your donation point at Holy Trinity Church.

We are extremely grateful for your help in supporting our food bank and, are touched by the kindness of everyone who buys food, toiletries or cleaning items to donate. We are also very grateful to John and Neil who bring the box of donations to us.

The food and other provisions made such a difference to families at Christmastime and will continue to be a such a help throughout the year for families and individuals that get in touch with us.

Thank you so much for your prayers and support once again.

Every Blessing
Alison
