

June 2024 Prayer Update

We praise God for...

- Elaine and Paul, our fantastic members of staff, who saved our building from closing due to the flooding.
- The generosity of the churches in Starbeck who opened their rooms for us when we flooded.
- Wellspring team and H&A team completed the Nidderdale Walk and raised a substantial amount of funds.
- Alison G, one of our volunteers, who raised over £1,000 for her run at the Edinburgh Marathon.

Please pray...

Clients

- For our child and adult clients, to find healing through their counselling.
- For those waiting to access our services, grant them peace, comfort and hope.
- For the families, homes and communities where our clients live, that they are a source of strength.
- For the families of the children we've had to turn away, may they find services and support.

Staff & Volunteers

- For the health and wellbeing of our volunteers and staff. Pray for the safe recovery of key members of staff.
- For our counsellors working with people struggling with poverty and chaos, give them strength and fortitude.
- For our trustees, grant them wisdom in the decisions they make.

Adult & Youth Counselling Service

- For Sarah and Helen who are managing our counselling services. Be with them.
- For our partners we work alongside in the Route 1 Partnership, our hospital, our GP's, our social workers, community teams, ambulance service, our schools and the Crisis Team.
- For our Wellspring Counselling Centres in Bradford and York.

Training

- For the church leaders who have booked onto our self-care workshop in June.
- For people to book onto our training courses in coming months.
- For our Empower course to find the right facilitators for the course in October.

Development, Publicity & Fundraising

- For funders to respond positively to our grant applications.
- For our new partnership with Chell Perkins a professional fundraising charity.
- Thank you for the money raised through BigGive Kind2Mind campaign.

Wellspring House

- For the smooth process when dealing with our insurance company on the damage claim.
- For a sensitive and high-quality restoration of our training room.

Decision-makers

- For those being elected to make decisions about all our mental health, grant them wisdom.
- For our local NHS and local authority commissioners juggling mental health priorities.
