

July 2024 Prayer Update

We praise God for...

- The funds and donations Wellspring received which enable us to continue our services.
- Our staff and counsellors who work passionately to support people experiencing emotional distress.
- Our valuable volunteers and trustees who continue to give their time freely to support our cause and change the lives of people suffering from emotional distress.

Please pray...

Clients

- For our child and adult clients, to find healing through their counselling.
- For those waiting to access our services, grant them peace, comfort and hope.
- For the families, homes and communities where our clients live, that they are a source of strength.
- For the families of the children we've had to turn away, may they find services and support.

Staff & Volunteers

- For the health and wellbeing of our volunteers and staff. Pray for the safe recovery of key members of staff.
- For our counsellors working with people struggling with poverty and chaos, give them strength and fortitude.
- For our trustees, grant them wisdom in the decisions they make.

Adult & Youth Counselling Service

- For Sarah and Helen who are managing our counselling services. Be with them.
- For our Wellspring Counselling Centres in Bradford and York.

Training

- For the people due to attend our courses over the coming months.
- For our Empower course to select the right facilitators for the course in October.

Development, Publicity & Fundraising

- For funders to respond positively to our grant applications.
- For fundraisers who will cycle and hike this month to raise funds for Wellspring

Wellspring House

- For the contractors coming to repair our training room following the flood damage.
- For a sensitive and high-quality restoration of our training room.

Decision-makers

- For those elected to make decisions about all our mental health, grant them wisdom.
- For our local NHS and local authority commissioners juggling mental health priorities.

Partners

- For our social workers in children's service working with vulnerable families. Give them strength and understanding.
- For our GP's and social prescribers. Help them make good decisions.
