

October 2024 Prayer Update

We praise God for...

- Our valuable volunteers and trustees who continue to give their time freely to support our cause and change the lives of people suffering from emotional distress.
- Our staff and counsellors who work alongside people experiencing emotional distress.
- The successful renovation of our training room and the extraordinary care that has been given by our decorator Pete, our project manager, Stuart, the joiners and plumbers and suppliers.
- Our Summer Garden Party being a success, with guests enjoying the afternoon.
- A successful grant application that will fund new IT equipment and new heater equipment.

Please pray...

Clients

- For our child and adult clients, to find healing through their counselling, especially clients in our schools.
- For those clients who struggle with their mobility, hearing and sight. Help us to support them.
- For parents in insecure accommodation like hostels, bed and breakfasts whose lives are made harder by poor access to services and lack of care and support.

Staff & Volunteers

- For our counsellors working with people struggling with poverty and chaos, give them strength and fortitude.
- For all of Wellspring's staff as they face difficult challenges arising from reductions in funding.
- Pray for the safe recovery of a key member of staff.
- For our trustees, grant them wisdom in the decisions they make over Wellspring's future.

Adult & Youth Counselling Service

- For Sarah and Helen who are managing our counselling services. Be with them.
- For our Wellspring Counselling Centres in Bradford and York.
- For our schools' counsellors supporting children and young people.

- For the Mental Health First Aid Courses we deliver.
- For counsellors who joined our Diploma course to train as Children & Young People's counsellors and for their course leader.
- For the young people joining our Empower course starting in October and the two new trainers leading the course.

Development, Publicity & Fundraising

- For our grant-writing contractors, give them guidance and fortitude.
- For our work to raise awareness of mental health, help us reduce the stigma for those reluctant to ask for help through our Dress Green For Mental Health campaign in October.

Partners

- For our Early Help team in children's services working with vulnerable families. Give them strength and understanding.
- For the managers in our NHS Trust, please support them in very difficult situations. Grant them peace.
