

Are you ready to live life on the edge?

Here, where England meets Scotland, and the land meets the North Sea, we are looking for a

Children and Families Leader

The Benefice embracing Scremerston, Spital and Tweedmouth can offer you a full-time post, with opportunities to develop a variety of activities already in place for local children, their families and schools, including Teatime Church, Open the Book, Mums and Tots and Youth Group.

But we are also looking for someone with the vision to see new possibilities, reaching out into the community in ways that demonstrate God's generous love for everyone in the town.

If you are intrigued and excited by this, check out the details on: www.besst.org.uk

The closing date for applications is Wednesday 30 October and interviews will be held during November 2024.
