

Urgent Prayer Request and Help for those people who are badly affected by the flood due to Heavy rain on the 26th and 27th September, 2024

The

heavy monsoon rain has damaged infrastructure, roads, and people's houses. Many people have lost their lives and lost their homes and belongings. Our heart is overwhelmed by seeing all the disasters and people are suffering.

People do not have food, no shelter, and no clothes. As we visited Thapathali slum on Saturday, almost all the houses were flooded by the water and all their belongings too. All the people were taken outside the slum to the safe areas where we have distributed water, and some snacks to 230 people, and other organizations are also coming together to help and to provide food and other needed things.

It's very sad to say that two families whose children are continuously coming to our tuition center have lost their homes and everything. And a few months ago we distributed all the school supplies, bags, and dresses to all the around 50 children, but now all their things have gone they do not have anything. No education materials, no clothes to wear, no food to eat, and no bed to sleep.

Right now we do not to how to help all those people who are in need in this difficult time, but we are praying and raising some support so that we can help those people who are in need.

We need your prayers and support!!!!
